

# I'D LIKE TO BE A COWGIRL

Public Domain Author Unknown

One day I went out to a rodeo  
I like to see the cowboys rope and ride  
I got excited as I watched the show  
I jumped right up and down and then I cried...  
I'd like to be a cowgirl, but ooh I'm scared of cows  
Moo moo moo how they scare me.  
I often try to face them  
While in a field they browse  
Moo moo moo how they scare me. \*yodel  
I'd walk up to a lion and smack him on the brow  
I'd even kick a pole cat but don't ask me to punch a cow.  
Chorus \*yodel

I tried to milk a Holstein she acted like a fool  
No matter how I coaxed her, she wouldn't sit down  
On a stool.  
Chorus \*yodel

They say a cat has nine lives, but I know a cow  
She kicked the bucket ten times, and she's alive and kickin' now.  
Chorus \*yodel

A cow once tried to chase me across a field of corn  
She bumped right into my guitar, and didn't even sound the horn.  
Chorus \*yodel
